bodisi v mednarodnem okolju. Pri tem bodo poznali temeljno judikaturo nacionalnega ustavnega sodišča, ESČP, Sodišča EU in Vrhovnega sodišča ZDA, torej judikaturo, ki je temelj za razumevanje zgodovinskega razvoja temeljnih kazenskopravnih pravic kakor tudi njihovega sodobnega pojmovanja.

S tem bodo razumeli temelje institutov, ki jih v abstraktni obliki najdejo npr. v ZKP (npr. globlje razumevanje pomena sodne avtorizacije pri poseghih v zasebnost in svobodo, razumevanje pomena ekskluzije, pomena Miranda pouka kot učinkovitega sredstva za zaščito privilegija zoper samooobtožbo itd.), v kazenskem pravu na splošno (zakonitost, pošten postopek in posamični njegovi vidiki itd.), v kazenskem pravu EU (vzajemno priznavanje, primarnost prava EU in »solange« problematika, harmonizacijski instrumenti itd.). Hkrati bodo tudi usposobljeni za nadaljnje samostojno spremjanje zadevnega področja ter iskanje virov in judikature ter s tem za nadaljnje poglobljeno znanstveno delo na zadevnem področju.

environment. They will have knowledge about the basic jurisprudence of the national constitutional court, the European Court of Human Rights, the EU Court of Justice and the US Supreme Court, namely knowledge about case-law which is the basis for understanding the historical development of fundamental rights in criminal law and their contemporary concept.

They will understand the foundations of the institutes, which are found in abstract form, for example, in the criminal procedural codes (for example, a deeper understanding of the judicial authorization requirement for intrusions into privacy and personal liberty), in criminal law in general (legality, fair trial and individual aspects thereof, etc.), in EU criminal law (mutual recognition, primacy of EU law and the so-called "solange" dilemma, harmonization instruments, etc.). At the same time, they will also be trained for further independent research of the area, and consequently for further in-depth scientific work in the area concerned.
