**Cilji in kompetence:****Študenti/ke bodo pridobili naslednje predmetno specifične kompetence:**

Predmet je uvajalni ter študentkam in študentom omogoči osnovni vpogled v civilne sodne postopke (pravdni, nepravdni, izvršilni).

Cilj predmeta je, da se študentke in študentje seznanijo s temeljnimi načeli in instituti civilnega procesnega prava in vsakega od civilnih sodnih postopkov, s poudarkom na civilnem pravnem postopku. Študentke in študentje tako pridobijo ustrezno in zanje uporabno znanje o temeljnih prvinah in pojmi civilnih sodnih postopkov, hkrati pa se seznanijo tudi z uporabo tega znanja na konkretnih življenjskih primerih.

**Objectives and competences:****Students will gain the following subjects specific competences:**

The course is introductory and provides students with a basic insight into civil court proceedings (litigation, non-contentious procedure, enforcement procedure).

The aim of the course is that students get acquainted with the basic principles and institutes of civil procedural law and of civil court proceedings, with an emphasis on civil litigation. Students thus acquire relevant and useful knowledge about the basic elements and concepts of civil litigation, and at the same time get acquainted with the application of this knowledge to concrete cases.

**Študenti/ke bodo pridobili naslednje splošne kompetence:**

Temeljno znanje, ki naj bi ga študent pridobil po uspešno opravljenih obveznostih pri predmetu, je sestavljeno iz poznavanja splošnih institutov civilnega procesnega prava in njihove uporabe v konkretnih primerih. Določena znanja in veščine, ki so sicer osnovna, v določenem obsegu že omogočajo uporabo v konkretnih življenjskih primerih.

Študentkam in študentom bo v učnem procesu omogočeno aktivno sodelovanje. Tako bodo lahko razvijali lastne sposobnosti razmišljanja in raziskovanja ter analiziranja ustrezne literature in sodne prakse.

**Students will gain the following general competences:**

The basic knowledge that student should acquire after successfully completed course consists of knowledge of the general institutes of civil procedural law and their application in concrete cases. The knowledge and skills, which are still basic, already enable the use in concrete cases to a certain degree.

Students will be able to actively participate in the learning process. So they will be able to develop their own skills of thinking and researching, as well as analysing relevant literature and case law.
