HEI DESCRIPTION

About New University European Faculty of Law:	<p>The European Faculty of Law is an independent and private higher education institution in Slovenia and it is part of New University (www.nova-uni.si). It was the first law school in Slovenia which developed its study programmes in correspondence with the European Bologna model of studies.</p> <p>The Faculty was founded by the Institute for Human Rights, Advice and Education, the Institute of International Law and the Institute of Civil Law. Accreditation from the Higher Education Division of the Republic of Slovenia was granted to the European Faculty of Law by decision no. 1/4-2005 in 2005.</p> <p>Following its vision, the Faculty is developing as internationally recognized higher education institution in areas of "Law", "Law and real estate management" and "Alternative dispute resolution". Its study programmes correspond and develop according to the needs of national and international environment and consist of all three Bologna study cycles (bachelors, masters and doctoral). From 1.10.2016 the Faculty offers also a new master study programme "Civil and Commercial law".</p> <p>In 2008 Faculty obtained its first Erasmus University Charter, which was in 2013 prolonged by the European commission (ECHE 2014- 2020). The Faculty has already established several bilateral agreements with internationally recognized institutions through which students, academic and administrative staff regularly participate in international activities and mobilities.</p> <p>Linking theory with practice, practical applicability of knowledge, innovation, professionalism and friendly academic environment are undoubtedly those elements that put European Faculty of Law among top education institutions in Slovenia. Its success is hidden in a student-friendly and innovative learning process that emphasizes combining theory with practice. Lectures and seminars are held in small groups, conducted by top Slovenian lecturers and lawyers from the ranks of judiciary, diplomacy, attorneys, public administration and other professions in the field of real estate and Alternative dispute</p>
