**Cilji in kompetence:**

**Objectives and competences:**

Študenti naj bi si pridobili znanja, ki jim bodo - doma in v EU - omogočila objavljanje in poglobljeno raziskovanje na področju mednarodnih odnosov; delo v ustanovah, ki se ukvarjajo z mednarodnimi zadevami.

Students should learn skills that will enable them to continue research of, and publish on international issues; to work in Slovenian and European institutions dealing with international relations.

#### Predvideni študijski rezultati:

##### Znanje in razumevanje:

Predmet MSMO omogoča vstop v teorijo in prakso mednarodnih odnosov. Na njegovi podlagi bodo slušatelji bolje razumeli pomen neodvisne države, zunanjopolitične strategije, diplomacije, mednarodnega prava, suverenosti in mednarodnih povezav. Študij usposablja študente za neodvisne in kompetentne analize svetovnega dogajanja in slovenskega mednarodnega položaja.

#### Intended learning outcomes:

##### Knowledge and understanding:

The course is intended as an introduction to theory and practice of international relations. Students will better understand the meaning of independent state, foreign policy, diplomacy, international law, sovereignty and international cooperation. Participation in the program should qualify the students to perform independent and competent analyses of international issues.
